

Join our team, success is just steps away

Machine Operator

Elna Magnetics is looking for dedicated, conscientious individuals in our custom department either on first or second shift. We offer a generous benefit package and a great opportunity for a work-life balance. If you are ambitious, like learning new things and want a career rather than a job we want to talk to you.

We provide standard magnetic cores and accessories as an authorized distributor of several product lines and through our manufacturing services department we machine custom products to meet customer specifications.

Our Machine Operators are responsible for operating various pieces of machine shop equipment used to manufacture magnetic products. Operators may perform setups and adjustments on specific machines.

Is this the job for you?

Job Responsibilities:

- Operates various surface grinding equipment to machine magnetic materials.
- Inspects finished product to ensure specifications for a particular operation are met.
- Reads and understands simple manufacturing instructions (MI's) with direction from other personnel.
- Notify group leader and/or supervisor of problems with equipment and/or product.
- Follow all safety, quality and departmental procedures.
- May install grinding wheel on spindle.
- May be required to operate CNC computer console on occasion.
- May be required to pack and stamp or otherwise mark finished goods.
- Perform other duties as assigned in order to meet organizational and customer objectives and business conditions.

Qualifications, Education & Experience:

- General understanding of mechanical equipment.
- Good hand-eye coordination.
- Ability to use small hand tools.
- Ability to use measuring devices such as micrometer and calipers
- Good working knowledge of basic math.
- High school diploma or GED.
- No previous machining experience is required
- US citizen due to ITAR regulations.

We will furnish:

- All necessary training to become proficient in the techniques of machining of ferrite and other materials
- Opportunities for advancement
- A knowledgeable and dedicated team of employees to work with every day

You'll be with us:

- Full-time
- 1st shift: Monday through Thursday 6am-4:30pm *or* 2nd shift: Monday through Thursday 3:30pm-2:00am
- If you want 2nd shift, you will be on 1st shift during your probation period
- Overtime available, as needed

Benefits of working with us:

- Comprehensive compensation package including annual performance reviews
- Free medical for employee
- Dental, vision and life insurance, 401K program with a company match on contributions
- 8 paid holidays
- Flex time available
- Generous paid time off program

Salary Range:

\$20-22/hour
